

## Honor Band

# CLOVER HILL HIGH SCHOOL KEYNOTES BAND BOOSTERS

PO Box 5505  
Midlothian, Virginia 23112

Dear Supporter,

Clover Hill High School Band is working hard to become a **Virginia Honor Band for the 11<sup>th</sup> straight year**. Becoming a Virginia Honor Band not only takes a lot of practice and commitment, but it requires resources for our music, instruction, and transportation. The Clover Hill High School Keynotes Band Boosters receives no state or county funding to support the band. It is through the generosity of people like you that we are able to continue this tradition of excellence as a Virginia Honor Band.

On November 14, 2015 we are hosting a Festival on the Hill at Clover Hill High School which will be opened to the community. We are holding a silent auction to raise money for our band and we ask that you consider our event a priority for your support. **Please participate by donating to our silent auction.**

Thank you for your thoughtful consideration of how you can be a part of the tradition...a tradition earned through the hard work and dedication of our band members and made possible with your support.

Please contact Courtney Hollett, at 919-824-7260, if you have any questions. We appreciate your support!

Sincerely,  
Courtney Hollett
