Re: 2009-2010 Spiritwear Order

Date: Tues., 8/25/09

This year we are offering spiritwear for sale to all Clover Hill Marching Cavaliers and their families and friends. Wouldn't it be fun to show the other teams our spirit as we all sit in the stands in our gold-n-green-n-black?!! Be the "in" crowd! Support our Cavs! Purchase spiritwear! You will definitely like the new look; check 'em out!

However, our rep has been in the hospital. In order to get it all in time for the first game, we need to act fast. Please take a look, print out an order form, and place your order by end of band Friday by turning in forms and check made out to Meadows Marketing to the band room. Mr. Conley would love to see us all together in our bright new duds, and think how we'll look in N.Y. at the parade and around town.

Personalization is available on many items (like "Band Mom", "Band Bro", "Band Junkie", etc.) so order for the whole family! You'll love 'em!

Thanks so much, and if you have any questions contact Chris Pastore, [cpastore200@msn.com](mailto:cpastore200@msn.com) .
